Welcome to our website and to our 'new' newsletter. We hope to publish a monthly update so keep checking the website out!

The Music Box activity and the mobile DJ demands continue to increase. Vintage Music has had a very busy Christmas and New Year as you can imagine! Vintage Music is now established as the resident DJ's at Overstone Park Golf and Country Club. Click on the links in the music box page for more info. Why not come and join us? Contact the Club for more details on 01604 647666.

Vintage Music has also performed at Highgate House in Creaton. Click the link on the music box page to view their website - we will be working here again in 2007. The venue is ideal for Wedding/Civil Partnership celebrations!

We have continued to cope with the demands from our Corporate Clients in addition to private clients during 2006 and we have played to Lords VIP's the 999 services and the high flying Judiciary! The Weddings and Birthday's we have made so special from Cumbria to Gran Canaria are simply to long to list. In all, a fantastic 2006 and a big thanks to all our clients and those already booked for 2007 and 2008!

In 2006 Vintage Music has seen a major increase in Civil Partnership enquires. This is great news keep them coming! We are a GAY friendly company and specialise in this area of work. Venues in the UK are increasing by the day and with the new Equality Act 2006 coming into effect in April 2007, we suspect the venue list as well as the enquiries will continue to grow.

As for the 'whatsytag' fashion range (due to be launched by May 2007) watch this space!! A meeting is to take place early Feb with a huge Teen Fashion Company originating from the USA! It is hoped the designer clothes will be in the shops very soon!! Keep watching!!!!

In the Feb Newsletter edition look out for some photos of Vintage Music in action and the event we are scheduled to perform in Barcelona!

Please feel free to contact us or offer any feedback on the goods and services supplied/offered. Your voice is important to us!!
